# North Neighbourhood Policing Priorities

**Knife Crime and drug dealing in the Halliwell area, current priority – robberies in and around Queens Park in the late afternoon.**

**Serious Acquisitive Crime [burglaries, vehicle thefts, thefts from vehicles] around the Bolton North area. The highest number of burglaries are in Halliwell, Smithills and Brightmet overnight midweek.**

**Vehicle Crime - highest number of offences are in Astley Bridge, midweek overnight.**

**Operation Portman – tackling speeding across the Bolton North area. The worst affected roads are Moss Bank Way, Halliwell Rd, Bury Rd and Blackburn Rd.**

## Burglaries.

**How secure is your door? Burglars can break into your home by snapping the lock. Keep them at bay by upgrading your euro cylinder locks to an anti-snap cylinder with a TS007 3-star rating and/or the Sold Secure Diamond Standard.**

**Please ensure that when leaving your vehicle or house unattended, all windows and doors are locked. Avoid leaving keys on the inside of locks where the key could be reached if a window or glass pane is smashed and keep doors in good repair, so they cannot be easily forced. Also, please ensure all valuables are removed from display to remove the opportunity. Do not make it easy for the criminals. Keep your possessions safe.**
